Report of the directors

For the year ended 31 December 2021

AEOBhousepeople Ltd is a Co-operative and Community Benefit society domiciled in England and Wales. The Board presents its report with the unaudited accounts for the year ended 31 December 2021.

Statement of director's responsibilities

The Board are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Co-operative and Community Benefit society law requires the Board to prepare financial statements for each financial year. Under that law the Board have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of the affairs of the society and of the income and expenditure of the society for that period. In preparing these financial statements, the Board are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the society will continue in business.

The Board are responsible for keeping proper books of account that disclose with reasonable accuracy at any time the financial position of the society and enable them to ensure that the financial statements comply with the Co-operative and Community Benefit Societies Act 2014. They are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the society and to prevent and detect fraud and other irregularities.

The Board are responsible for the maintenance and integrity of the corporate and financial information included on the society's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Directors

The members of the board in office during the year were as follows:

Christopher Bull	
Elinor Kershaw	
Jim Kinniard	
Tim Southall	(appointed 11 January 2023)
Elizabeth Spanton	
Paul Whitehouse	(appointed 11 January 2023)

Opt-out from audit requirement

The society has opted out of the requirement to have a full audit as Rule 55 of the society's rules do not require a full audit, the assets are valued at less than £2,800,000 and a resolution 'to disapply Section 83 of the Co-operative and Community Benefit Societies Act 2014' was passed at a general meeting (at which i. less than 20% of the votes cast were against the resolution and ii. less than 10% of the votes held within the society were cast against the resolution). The society has opted to submit unaudited accounts.

Notes to the financial statements

For the year ended 31 December 2021

1. Accounting policies

a) Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities in preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Co-operative and Community Benefit Societies Act 2014.

AEOB Housepeople Ltd meets the definition of a public benefit entity under FRS 102. The society also has charitable status with HMRC. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note.

b) Going concern basis of accounting

The accounts have been prepared on the assumption that the society is able to continue as a going concern, which the directors consider appropriate having regard to the current level of unrestricted reserves. There are no material uncertainties about the society's ability to continue as a going concern.

c) Income

Income is recognised when the society has entitlement to the funds, any performance conditions attached to the items of income have been met, it is probable that the income will be received and the amount can be measured reliably.

d) Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the society: this is normally upon notification of the interest paid or payable by the bank.

e) Funds accounting

The society holds unrestricted general funds only.

General funds are unrestricted funds which are available for use at the discretion of the directors in furtherance of the general objectives of the society and which have not been designated for other purposes.

f) Expenditure and irrecoverable VAT

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

g) Operating lease expenditure

Rentals paid under operating leases are charged to the statement of financial activities as they fall due.

Notes to the financial statements

For the year ended 31 December 2021

1. Accounting policies (continued)

h) Allocation of support and governance costs

Support costs are those functions that assist the work of the society but do not directly undertake charitable activities. Governance costs are the costs associated with the governance arrangements of the society, including the costs of complying with constitutional and statutory requirements and any costs associated with the strategic management of the society's activities. 100% of these costs have been allocated to charitable activities, as the society does not expend any significant resources on raising funds.

i) Tangible fixed assets

Depreciation is provided at rates calculated to write down the cost of each asset to its estimated residual value over its expected useful life. The depreciation rates in use are as follows:

Land	No depreciation
Property	2% straight line

Items of equipment are capitalised where the purchase price exceeds £1,000.

j) Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

k) Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

l) Creditors

Creditors and provisions are recognised where the society has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

m) Financial instruments

The society only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of the mortgage which is subsequently recognised at amortised cost using the effective interest method.

For the year ended 31 December 2021

1. Accounting policies (continued)

n) Accounting estimates and key judgements

In the application of the society's accounting policies, the directors are required to make judgements, estimates and assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and underlying assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The key sources of estimation uncertainty that have a significant effect on the amounts recognised in the financial statements are described below.

Depreciation

As described in note 1(i) to the financial statements, depreciation is provided at rates calculated to write down the cost of each asset to its estimated residual value over its expected useful life. Depreciation rates in operation during the current and prior period were as follows:

Land	No depreciation
Property	2% straight line

2. Total expenditure

	2021	2020
